**JENNIFER SCIOLE TO APPEAR IN NEXT THREE  
CHAPTER 2 PRODUCTIONS PICTURES**

**Actress to sign for additional roles with production company  
following release of National Lampoon Presents “One, Two, Many”**

LOS ANGELES, April 10, 2008 – Jennifer Sciole, one of today’s most versatile rising young actresses, will work with Chapter 2 Productions on the company’s next three films. Sciole currently appears in National Lampoon Presents “One, Two, Many,” which opens today and was produced by Chapter 2.

“One, Two, Many” is a modern-day romantic comedy that follows one man’s quest to find the girl of his dreams. The film was written and produced by John Melendez (“The Tonight Show”), who also stars in the film. Melendez plays Thomas, a man who tries to find the perfect girlfriend who will make his dream of having a threesome come true. Sciole plays Maria, the cross-eyed girlfriend of Jeffrey Ross (“Weeds”), who is in some of the movie’s more memorable scenes.

“Jennifer showed a great understanding of comedy in ‘One, Two, Many’ and we really enjoyed working with her,” said Melendez. “We’re eager to get her involved with the next few films we have in development.”

Chapter 2 expects filming on “Will Run” to begin in June, with “West 6th” and “When The Mob Hit Wall Street” to follow shortly thereafter. Sciole is expected to sign for roles in all three films.

“I am very glad my relationship with Chapter 2 will continue beyond ‘One, Two, Many’ and look forward to working with them on their next few movies,” said Sciole.

Jennifer Sciole has appeared in numerous motion pictures, television shows and commercials. She recently completed production on four major films (“Blood: A Butchers Tale,” “One, Two, Many,” “3 Days Gone” and “Soccer Mom”), is starring in seven films beginning production in 2008 (“Beneath Justice,” “Wireless,” “Crimson,” “Sweetwater,” “Keep Coming Back,” “Only in New York” and “Ashes to Ashes”) and signed a six-picture deal with Handpicked Films. She will also be featured as a recurring guest star on the television series “Dr. 90210.” More information is available at <http://www.jennifersciole.net>, on Breakdown Express at <http://resumes.breakdownexpress.com/316055-808053> and on IMDB at <http://www.imdb.com/name/nm1043468/>
